THE SCHRY SOUTH .- 'This book is composed of a series of letters, written in an interesting style of a narative, embodying the most roman se features of social life on different kinds of plantations. We can bear testimony, from our own personal observation of similar scenes in the South, to their truthfulness as here depic ted. They are portrayed in a vivid, interesting style, and we would like to see the book in the hands of thousands of deceived people, who have no personal knowledge either of Southerners or Southern life, except what they have sined from partizan journals, or those who intionally have written to deceive."-Daily

Republic, N. Y. THE SUREY SOUTH .- "This volume is in the form of letters. They give, so far as we can udge, faithful pictures of Southern life, and ere penned without prejudice. They present scenes quite different from an "Uncle Tom's Cabin," the pictures presented here are quite graphic, and we think the portraits painted are in very nearly natural colors."-Boston Daily

THE SURNY SOUTH .- "We have rarely peep ed within the covers of a more appetizing volune. Although not intended as an answer to the foul untruths in the Uncle Tom trash of the last ten years, it nevertheless does unmercifully hurl back to their source all lies of such a nature, and we are glad to believe that the book will be read in thousands of northern homes. The south also should take to it beaignantly for independent of its truthfulness and integrity it is one of the liveliest and most entertaining books of the year."-Times, Greensboro, N. C.

THE STREET SOUTH .- "The enterprising publisher, G. G. Evans, Philadelphia, of Gift Book acteriety, is weekly issuing new works of interest, and at reading them over the country, and his system of transacting business may be looked upon as an institution, for diffusing knowledge, unequalled by any in the country. We semmend this book to all."-Deily News.

volume, strongly illustrative of Southern life. ess is with her the and she carries the interest of the reader along with her, as she, in her amusing off hand style, definates the peculiarities of a Southern home."

THE SUNNY SOUTH .- "Whatever bears the name of Professor Ingraham is sure to involve the elements of striking effect and a wide popclar currency; and this is just the case with "The Sunny South, or the Southerner at Home." which appears from the press of G. G. Evans, under the editorship of the graphic Professor. It is vivid in style, keenly observant. Interesting in plot, and in purpose and manner it obviously springs from a warm heart, and will be as warmly welcomed by a host of readers."-The New Yorker

LEAVENWORTH, KANSAS. LEAVENWORTH, KANSAS.

THE proprietors of these Mills are now ready to receive the new crop of Wheat, and they would particularly call the attention of FARMERS to the impertance of threshing, cleaning and getting their wheat to market at the carliest possible time, to avoid damage and loss by letting it remain in the field till the Fall rains come on. Thresh your wheat at the name time of resping, if possible; bring it in, we will store it free of charge till you wish to sell. You will here find sale for all your wheat at the highest market price, or you can exchange it for flour on the most favorable terms.

Give us good, clean wheat, and we will give you the best flour over offered in this market.
